

## Helping Yemeni Students Learn English

Project Title	Helping Yemeni Students Learn English
Project Summary	Hold weekly, real-time English conversation classes via the Zoom platform with Yemeni English language students in Aden.
Country	Saudia Arabia
Country/Region of Focus	Yemen

## Project Description

This project involves creating lesson plans for English language students for weekly one-hour conversation classes with them on topics such as music, pop culture, TV shows, movies, U.S. holidays, historical figures, and more. You would help students your age practice English to help improve their job prospects in a conflict zone and in a troubled region of the world. You would also share your culture with them, to increase and improve mutual understanding.
